TILSON SHOPPING CENTER NEARS APPROVAL ON REZONING BATTLE

Providing they can win final approval of the project, Subdividers Lionel J. Tilson and Philip S. Sanfilippo plan immediate construction of their proposed shopping center at Saratoga and Quito Roads. Tilson stated that work will start as soon as government restrictions will permit use of vital materials.

Indications of a victory in the subdividers' three-year battle to win approval of the proposed shopping center came Monday after the county board of supervisors instructed the planning commission to review the Tilson proposal and submit architectural restrictions on which the board could give the go-ahead signal to the hotly-contested issue.

Action came on the third appeal to the supervisors after three denials by the planning commission. The planners had opposed commercial zoning for the shopping center on the grounds that it would create a traffic hazard at the intersection and it might prove a health hazard because of septic tank installation.

Tilson had argued that the installation of septic tanks had the approval of county health authorities and that he would "take his chances on incurring the high cost of connecting with Sanitation District 4 sewer lines. He pointed out that rezoning of his property from residential to light commercial was backed by petitions signed by more than 400 residents of the area.

Tilson stated that the number of units, cost, and type of construction was still in the planning stage and that figures would be released as soon as they were available.

SPECIAL MEETING FOR FUND WORKERS SET FOR MONDAY

Eugene W. Barnes, general chairman of the Campbell Community Service Fund Drive, emphasized the importance of all workers and unit heads and other persons connected with the drive in attending the special meeting scheduled for 7:30 p.m., November 12, in the Little Theatre of the Campbell High School. Purpose of the meeting, Barnes stated, was to find suitable means of stimulating contributions to the drive. The \$4,333.00 contributed to date is considered a poor response and Barnes is seeking methods of collecting the remaining \$9,667.00 of this year's goal.

The Campbell chairman pointed out the need for funds in the community, stating that 99 percent of all such funds collected go directly to local organizations. He cited the case of a Campbell Scout unit aiding a family whose home and belongings were lost in a fire last week. "The Scouts who helped this family to find a temporary home and aided in collecting the clothes, food and furnishings for them are a unit of the Campbell Community Service Fund and are given direct aid by the Fund," he said. "Such an example is direct proof of the worth of the Community Service Fund. Had not the Scouts received aid from the Fund, they might not have been able to help the burned out family."

All workers and heads of the drives are unpaid volunteers and only a small portion of funds collected is used for secretarial help and office supplies.

Organizations benefiting from the drive are Boy Scouts, Girl Scouts, Milk Fund, Scout Hall, Library Fund, Camp Fire Girls, YMCA, Visiting Nurses Association and the Family Service Council.

Government OK's Steel Allotment

Efforts to cut government red tape on Campbell Union School District's building program has been at least partly successful, it was reported today. Although details were not available at press time, Superintendent William C. Henley, just returned from a trip to Washington, D.C., is known to have received approval of allocation of steel for the proposed Rosemary School.

The trip was made for the purpose of speeding action on the district building program. Progress on Rosemary school has been held up by lack of action on a request for allotment of critical materials which was sent in to the War Production board last July.

First of the district's new schools, Cypress School, is now under construction. Rosemary and Quito schools are next on the building schedule.

NOW HE READS ALL HIS MAIL!

Angelo Lacinola and his wife have decided to read every word of the mail they receive in the future. He and Mrs. Lacinola had fallen into the common habit of reading the letterhead and discarding the letter if it looked like an advertising form. The practice almost cost the couple \$867.

Mrs. Lacinola had opened a letter last week and noticed the words "Hospital Trust" in the letterhead. Thinking it was a solicitor for funds or advertising form, she had set it aside. That night, her husband picked up the letter and set it aside for the same reason. For several days, the "Hospital Fund" letter passed from hand to hand in the household until Angelo happened to notice the word sweepstakes in it. Reading further, he found that he was the winner of 312 pounds in the Irish Sweepstakes.

Lacinola hasn't received the money yet and isn't sure how much he will finally get after Uncle Sam takes his share but states he'll probably use it to pay bills. "Just winning it was enough fun," he said.

Campbell Church Starts Campaign With Dinner

Members of the Campbell Methodist Church were served a full course complimentary dinner in the Social hall of the church Monday evening prior to discussing the campaign for the Minister's Reserve Pension Plan.

Laurance Hill, chairman of the campaign, presided at the meeting and introduced Miss Joyce Klassen, Mabel Sanders, and Beverly Clawson who played two trio numbers, "Egyptian Ballet" and "Rustle of Spring" and Beverly Clawson played a violin solo, "Chonrosmain" by Fritz Kreisler.

Young people of the church presented a skit depicting the Minister's Reserve Pension Plan. Michael Bruson acted as announcer while various parts were played by Patricia Means as Mrs. Cautious, Richard Buck as Mr. Cautious, Harold Strong as Mrs. Canvasser, Sharon McCannon as Mrs. Canvasser.

Howard Guilbert led the group in community singing.

Members of campaign committee serving were Franklin Blaine, George Green, George Kemp, William Boyer, Les Titus, Matt Helmbold, Sam Robinson, Frank Bachelor and Earl Buck.

Dinner was prepared by Mrs. Frank Richardson assisted by Mrs. Earl Buck, Mrs. Galen Thompson, Helen Brown, Eleanor Schaffie and Gladys Peacock. Mrs. Lawrence Newberry supervised the younger children in the parish house while the dinner was in progress. Mrs. Evelyn Arends planned table decorations of vegetables and nuts placed in the center of pumpkin shells.

More than 50 percent of the necessary funds has been collected to date.

GRANGE TO HOLD POTLUCK MEET

Films On Canada Shown To Kiwanis

Judge Martin S. Walsh showed colored motion pictures of a recent trip which he made to Churchill, on the shores of Hudson's Bay in Canada, to members of the Campbell Kiwanis Club last Tuesday noon. Highlights of the films depicted a mining town which had grown to a population of 10,000 in the short period of 26 years. Unique feature of the town was its site of solid rock. Foundations were so solid that all sewer lines were laid on top of the ground instead of the usual practice of laying them under the ground. In his commentary of the films, Walsh stated that the phenomenal growth of the town was due to the mining industry in the locality. Mines include gold, copper, zinc, silver and lead.

RETURNS ON LEAVE

Charles Kerby, son of Mr. and Mrs. Howard Kerby of 40 Dillon Ave., is returning from several months' duty with the Army in Hawaii. He will reach home on November 14 for an eleven day leave. He joined the Army on March 6 of this year.

MOST QUITO STORES WILL OPEN SATURDAY

A spokesman for the Quito Businessmen's Association stated this week that stores in the center are making every attempt to open by Saturday, November 10. "Every effort is being made to ready our stores for an opening on November 10," he said, "however, all indications point to all of the stores in the center participating in the grand opening ceremonies to be held the following week."

Rotarians Told Of Tanning Ways At Monday Meet

Harry Todd, of the Santa Clara Custom Tannery, told members of the Campbell Rotary Club that tanning was perhaps the oldest industry known to man at the Campbell group's weekly meeting Monday noon. In the early days of tanning, brains of animals were widely used in curing hides because of their high lecithin content, a substance used greatly in tanning. Modern tanneries use lecithin made from soy beans. Other types of tanning includes that which uses tanbark as a cure for the hides.

Todd stated that his tannery specializes in the tanning of animal and reptile and other hides. "We have tanned everything from 200 mice to moose hides," he said. Hardest job of tanning which his firm has done was the task of tanning a rhinoceros scalp.

In answer to questions from the audience, Todd stated that tanning human skin is much the same as tanning the hide of any animal. He told of a San Francisco firm which received an order to tan a complete human skin and after consultations with the police and sheriff's departments, found that the order was placed by a medical school. Entertainment included a solo presentation of "Tennessee Waltz" by David Rutherford. Among guests for the day was Patrick Peabody of Los Gatos. The meeting was in charge of Bill Maderaras.

No meeting will be held next Monday but a round table will be held for visiting Rotarians. A board meeting will be held Monday evening.

Rehearsals Start For Footlighters' Blind Benefit Play

Rehearsals for the Footlighters' PTA-sponsored production of "Over 21," are under way directed by Marion Jacobson, drama instructor at Los Gatos High School. The play, scheduled for presentation on November 31 and December 1, will raise funds to go toward the purchase of a station wagon to provide transportation of Santa Clara county children attending the blind school at Campbell. While the state provides funds for the education of blind children, no allotment is made for transportation for them.

The play, a three-act comedy depicting life in an auto court across the street from an Army camp in Florida, is sponsored by the Sixth District PTA and tickets are being sold under the direction of the Campbell area units. Plot is concerned with the problems arising from the high-speed training given officer candidates in the adjacent camp.

Play committees consist of Marion Jacobson, director; Bert Legg, stage manager; Ethan Lanphear, set manager; sound and lighting, LBen Howard; set design, Ethan Lanphear; tickets, Carolyn Coons; posters, Pat Meiss; costumes, Lexie Marlett; props, Irene Hodges, Marion Nelson and Dorothy Mauseth; make-up, Betty Legg; publicity, Veva Chamberlin; and budget committee, Marion Jacobson, Carolyn Coons, and Betty Legg. PTA units will furnish ushers and Marye Parker will head the music committee. The Campbell Grammar school orchestra will play under the direction of Richard Gordon.

In addition to the play, various units in the area are planning contributions to the fund.

Merchants To Close Monday

The majority of Campbell merchants will close Monday in observance of Armistice Day. Forest Reese, secretary of the Chamber of Commerce announced this week. The American Trust will maintain its regular late Friday hours but will also close on Monday, Joaquin Payne stated. To date, no community observance has been planned for the holiday. All public schools in the area have also announced that they will be closed.

Teachers Meet With Parents

Teachers and parents of the Moreland school are holding a series of meetings this week prior to handing out report cards on November 16. Teachers will explain their goals in their particular education programs and will discuss various programs and answer questions of parents during the meetings. Parents may request individual conferences with teachers if they so desire.

SHERIFF SEEKS APPREHENSION OF ARSONISTS CONNECTED WITH HIGH SCHOOL LOCKER ROOM FIRE

Sheriff's inspectors are still seeking parties involved in an attempt to burn the dressing room of the boys' gym at Campbell high school Monday morning. According to reports from Inspectors George Best and Marion Bennett and Director of the County Criminalistics Laboratory L. W. Bradford, the arsonists poured gasoline into the locker room and then threw a torch into the room after climbing to the roof and breaking a skylight. Cement construction of the room and steel lockers on the walls of the room kept the fire from causing more than superficial damage.

Exact location of setting the fire has not yet been determined by inspectors, but they state that the arsonists constructed a torch from a mechanical pencil and a pocket flashlight of the pencil lighter type by wrapping them with caulking material. Both the pencil and flashlight have been found and identification of the owners is now being sought.

Inspectors stated that all materials used in starting the fire were picked up by the arsonists at the scene of the crime. L. W. Bradford said that a portion of garden hose was cut from a water faucet and used to siphon between 15 and 20 gallons of gasoline from a road scraper close to the building. They were able to determine the exact spot at which the culprits climbed on to the roof by dislodged portions of roofing material. They also found a supply of caulking string which had been used to wrap the flashlight and pencil in constructing the torch. No distinguishable fingerprints have been found.

Damage to the locker room consisted of charred woodwork around the steel back door to the locker room, and charred paint on the ceiling and lockers. School officials stated that had the fire reached any of the doors but the steel back door, fire would probably have destroyed the basketball courts and offices in the building.

MacLean Directs American Trust

Donald Maclean, President of the California and Hawaiian Sugar Refining Corporation, has been elected a Director of American Trust Company, it was announced today by James K. Lochead, President, following the bank's regular monthly Board meeting.

Mr. Maclean, associated with California and Hawaiian Sugar Refining Corporation since 1945 as Executive Vice President, was recently named President of that Corporation. Prior to that time, he served as President of Pacific Molasses Company for many years.

PARENT-TEACHER CONFERENCES

San Tomas School concludes its series of parent-teacher grade level conferences this evening with a meeting of parents of 8th grade students. Parents, teachers and children will meet for a pot luck dinner, after which the parents will go to classrooms to discuss the course of study to be followed during the year. Aim of the meetings is to clarify the school program and give parents a better picture of expected learnings in the various grades. During the meeting, children will be entertained with movies.

County Assessor Checking Petitions For Special Incorporation Election

Forty-five petitions calling for a special election to decide the issue of incorporation for the city of Campbell were submitted to the county assessor's office Monday and are now being checked by him for the required 25 percent assessed valuation of property and necessary 25 percent of real property holders of the proposed incorporated area.

Girl Scouts Plan Training Course Here

Girl Scouts of Santa Clara Valley, Inc., a unit of the Campbell Community Service Fund, are announcing plans for an additional leadership training course to be held beginning Friday, November 9 at the Congregational Church, Central Avenue in Campbell. The course is basic group leadership and is designed for all leaders of Girl Scout and Brownie troops who have not previously had the instruction. The meeting will begin at 9:15 and run until twelve with Mrs. W. R. Noble of the Girl Scout staff, and Mrs. Rolf Godon of Saratoga, volunteer trainer, as instructors. This course is in addition to those planned for the year, and is being given in response to requests for many prospective leaders.

Any adult from within the Santa Clara Valley Council is welcome to attend the course, and leaders from Santa Clara, San Jose, Los Gatos, Campbell, Saratoga, and Cupertino are expected to attend. Students are asked to register at the Girl Scout headquarters to attend the course.

A spokesman for the proponents of the move stated that the incorporation committee believes the petitions to contain an exceptionally safe margin of signers and valuation.

Next step in the proceedings, should the assessor's office find the petitions to be in order, will be the submission of them to the county board of supervisors for consideration. Providing the supervisors deem the move worthy of calling a vote, they will then set dates for hearings at which time, persons may petition to be excluded from the boundaries. No further property will be considered for addition to the boundaries at that time. Following hearings, which may not exceed a period of more than two months, the board will then set the date of a special election, providing sufficient time for advertising. A majority of registered voters in the area must approve the measure at the election. Included on the ballot for incorporation will be the names of persons who desire city offices.

Proponents of the issue emphasized the need for all eligible persons to register prior to the election due to the fact that state subdivisions and grants are based on the number of registered voters and the state allows the city a total of \$19.68 for each registered voter.

JO ANN EMERY, GLEN L. WEAR EXCHANGE CANDLELIGHT VOWS

Jo Ann Emery became the bride of Glen L. Wear in recent candlelight ceremonies performed by Rev. Clarence B. Sands in the First Baptist Church. Church decorations consisted of marigolds and yellow and gold dahlias and ferns.

The bride was gownned in white marquisette and lace with a fingertip veil and carried a bouquet of orchids and tuberous begonias. Mrs. Clyde Turnispeed acted as matron of honor in white lace and net while bridesmaids Lucille Montgomery and Vern Klassen wore violet and royal purple taffeta respectively. Cousin of the bride, Suzanne Emery, was flower girl. All attendants carried French bouquets.

Best man for the ceremonies was David Woodward and ushers were David Emery, brother of the bride, and Neil Hicks. Penny Hiebert sang "Because" and "I Love You Truly", accompanied by Dils Roberts on the organ.

Mrs. Emery chose a navy blue crepe dress with pink accessories for her daughter's wedding while the benedict's mother wore brown crepe with matching accessories. Both pinned corsages of pink carnations.

Following a reception in the church dining room, the just-weds left for a wedding trip to Lake Tahoe.

For her going away ensemble, the bride chose a hunter green gabardine suit with rust accessories.

The new Mrs. Wear is the daughter of Mr. and Mrs. Ralph Emery of Campbell and the groom is the son of Mrs. Gertrude Wear of San Jose.

BPW Honors New Members In Quito Park District

The Campbell Business and Professional Women's Club honored new members of the El Quito Park district with a series of housewarming last week. Members had luncheon in the home of Mrs. Mae Brand and then visited the homes of Mrs. Lois Robinson and Mrs. Lucille Barnes. Honorees received gifts of rose bushes from members of the club.

A dessert meeting and regular business meeting will be held at the Congregational Church at 7:30 p. m. November 14. The Christmas doll will be on display at that time. Presentation of the doll is an annual event with the organization. Each year, the club purchases a doll and members make clothes for it prior to the presentation.

MTA TO MEET NOVEMBER 14

The Santa Clara County Branch of the California Music Teachers' Association will hold their next meeting on November 14, 1951, at 10:15 a.m., at the home of Miss Evelyn Heath, 43 So. 14th Street, San Jose.

Guest speaker will be John McKreja, formerly of New York City, but now residing in California. He is a noted teacher, composer and author of several music text books.

Members of the MTA living in Campbell are Kathleen S. Bergeron, Virginia Rutherford, William J. Eriandson.

Miss WINNIE GRIZZLE was a guest Sunday morning at the breakfast at Lou's Village when Miss Helen Lynch was commemorated for her 51 years of service in the Pacific Telephone and Telegraph Company by members of the Pioneer Telephone Club. Miss Grizzle served as Campbell's telephone operator for several years during World War I.

Miss Howard To Assume Job's Daughter Office

Miss Joline Howard, daughter of Mr. and Mrs. LBen Howard, will be installed Saturday morning, November 10, at the Civic Auditorium.

Joline Howard

torium as a state officer in Grand Bethel, International Order of Job's Daughters.

The State Job's Daughters convention opened in San Jose Thursday, November 8, with a pre-convention reception being held Wednesday evening at the St. Claire hotel with area betheles acting as hostesses for the occasion. Entertainment for the evening included two duet numbers by Miss Glenelle Walton and Miss Howard, "The World Is Mine" by Posford and "The Lilac Tree" by Gartlan. They were accompanied by Miss Nancy Titus.

A program will be presented Friday evening in the Montgomery Theater followed by the drawing to decide which office Miss Howard will hold in the Grand Bethel. Installation of officers will then be held Saturday morning at 9:30 with installation of the grand guardian council taking place in the evening.

Miss Howard is a charter member of Campbell Bethel 174 and has taken an active part in the affairs of the organization. She was graduated from Campbell Union High School in June and is now enrolled as a freshman at San Jose State College.

Mrs. Donald Hartman is guardian of the Bethel and Mr. Laurence Campbell is associate guardian.

All members of Job's Daughters may attend the Friday night program and the installation of officers on Saturday morning.

Mrs. Rose Hanger To Be Honored At Reception

Mrs. Rose Hanger will be the honored guest Sunday, November 18, at 4 p.m., when members of the Methodist church will give a reception for Mrs. Hanger, who is leaving soon to make her home in Salinas.

Mrs. Hanger has been a member of the Campbell Methodist Church for 50 years, and has taken an active part in every phase of church life, having been superintendent of the Sunday school for many years and also singing in the choir. She also served as the treasurer of the Women's Society of Christian Service since September 4, 1904.

A short program and tea hour is being planned and all those who wish to greet Mrs. Hanger at this time are cordially invited.

High School PTA To Hold 'Back To School' Night

The Campbell High school Parent-Teachers Association will meet November 14 in the school auditorium for a back to school night. Parents will visit the classes of their sons and daughters during the evening. The physical education department will be featured during the tour. Mrs. C. M. Youngman and Mr. T. Robinson will act as guests for the evening. Members of the Moreland PTA will be invited as guests for the night.

Refreshments will be served in the school cafeteria. Mrs. George Robertson will act as refreshment chairman with mothers of the senior class acting as hostesses.

An executive board meeting will be held November 14 at 1:30 in the home economics room of the school.

Women Of St. Lucy's Prepare For Card Party

Members of St. Lucy's Women's Club discussed plans at a meeting last week for the coming parish card party to be held in the high school gym on the evening of November 17. Volunteers offered aid with prizes and refreshments.

Mrs. Antone Ferro gave a report on the number of cancer pads sent to the Antoine Hospital for Cancer for cancer patients, and was followed by Mrs. R. Friguero, who reported that a considerable number of cards had been sent to members who were ill.

Entertainment consisted of several vocal numbers by Mrs. John Kay, accompanied by Mrs. Ambrose Metcalf. Billie Ward then presented several accordion selections followed by Connie Silva with a number of piano selections. Mrs. Norman Corvello and Mrs. Felice Robba acted as program chairman.

Refreshments of cake and coffee were served by hostesses for the day. Mesdames Ambrose Metcalf, Felice Robba and Elizabeth Gilson. Several members of the club also attended the monthly meeting of the Catholic Women's Council in San Jose Monday.

Church To Show Evening Movie

Next Sunday, November 11, will be the second presentation of the statements of intentions for the 1952 budget of the Campbell Congregational church, according to Rev. Corwin Olds. One-third of the budget was subscribed by cards presented during last Sunday's service.

On Sunday evening at 7:30 a movie "Second Chance" will be presented in the church, with the public being invited. The movie is based on a book by Faith Baldwin and portrays common experiences in church life of the average family.

Country Women See Travel Scenes

Members of the Campbell Country Woman's Club Monday enjoyed colored pictures of scenes around the world as presented by Mrs. Harvey Herold of San Jose, who also lectured about the various manners of living in European and Asiatic countries.

Among the outstanding scenes shown were the tulip beds in Holland, the snowcapped peaks of Switzerland, castles in Italy and the Taj Mahal in India. Also shown were exceptional pictures of the jungles in Southern Asia showing buildings in the jungles which had been built several centuries ago.

Japanese and Hawaiian pictures were also well received. Chairman for the day was Mrs. W. H. Scott. The hall was beautifully decorated for the meeting with arrangements of chrysanthemums.

The next meeting will be held November 19, with Mrs. C. P. Klassen as chairman and the Thanksgiving theme being used. A short musical program will be presented and the principal speaker will be Rev. James Garrison who has just returned from China.

CAMPBELL REGISTER

Dr. and Mrs. J. C. JOHANNES of 131 Alice Way returned recently from a three-weeks tour which took them back to Redding, Pa., where they visited with Mrs. Johannes's niece, Mrs. DOROTHY PUTMAN. Mrs. Johannes stated that the foliage in the eastern states is very beautiful at this time of year and that she enjoyed the trip very much. The Johanneses also visited with friends in Fletcher, North Carolina. Traveling with them as far as Oklahoma City were Mr. and Mrs. C. LING-ENFELTER, who were visiting relatives in Illinois.

Mr. BILL NODA of the Campbell Nursery left Friday, November 2, for Tokyo, Japan, where he will visit with relatives. Noda, who is traveling via ship, will return to Campbell around the middle of February.

The annual meeting of the Santa Clara County school trustees will be held at the Campbell high school cafeteria on November 20 at 6:30 p.m.

Frank M. Wright, Associate Superintendent of Public Instruction, will be guest speaker for the meeting.

Campbell Grammar School PTA Nears 100 Percent Attendance In Meeting

Due to a contest held by the individual classrooms for 100% PTA attendance, the November 6 meeting of the Campbell Grammar School Unit had a near-capacity audience. The meeting was called to order by Mrs. Leonard Merritt, and the salute to the Flag was led by Miss Ruth Williamson, a Campbell girl. After the reading of the minutes by Mrs. Frank Lima, and the Treasurer's report by Mrs. Royal Page, it was announced that the total membership of the PTA at present is 750 members, or 49 1/3 percent of the total school enrollment. Mrs. Richard Max, chairman of the Membership Drive, told us that the class prizes were given to Miss Henrietta Wehrli's first grade class with 114%, and 2nd prize to Mrs. Ingram's first grade class with 110%. In the upper grades, Mrs. Harriett Johnston's eighth grade class was first with 122%, and Mrs. Maude Sourisseau's eighth grade was 2nd with 111% membership.

Upon recommendation of the Executive Board, it was voted to donate \$100 for the purpose of furnishing the mens' lounge.

Mrs. Dorothy Royce, principal, announced that the required amount of steel had been allotted to the building of the new Rosemary School, which now should be completed by September, 1952, in time for the opening of the new school term.

Mrs. Leonard Merritt reported on the 6th District meeting, and personally appeared LETTA B. MILLER and WALTER G. SCOVILLE and MARY ANN SCOVILLE, his wife, known to me to be the persons whose names are subscribed to the within instrument and acknowledged to me that they executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my Official Seal, at my office in the County of Santa Clara, State of California, the day and year in this certificate first above written.

THIS MESSAGE IS PUBLISHED IN THE PUBLIC INTEREST BY THE FOLLOWING FIRMS:

Don't you be the Millionth Man to die in a traffic accident

Some dark day this December, the National Safety Council estimates America's millionth traffic fatality will occur.

How can we postpone the millionth death? How can you avoid being the 1,000,000th victim of carelessness?

These simple safety rules will help:

Safety-check your car! Faulty brakes, worn tires, defective horn and lights, bad steering gear, a worn-out windshield wiper—any one of these can involve you and your family in a terrible accident. Get your car in perfect running shape now. It's cheap insurance on your life.

Obey traffic laws! Speeding drivers are involved in 1 out of 3 fatal traffic accidents. So take your time, not your life. Slow down at intersections. Don't pass on hills and curves. And remember that bad weather conditions can make the safe speed lower than the legal, posted limit.

Watch out for children! Youngsters forget safety rules; that's why grown-ups have to be extra careful. Last year 120,000 school-age children were involved in traffic accidents. Be extra cautious when driving near schools, playgrounds, or in residential areas.

Be doubly alert at night! Over half of all traffic fatalities occur at night. It takes a double order of caution to make up for reduced visibility. Keep your windows and windshield clear of mud, rain, sleet, snow. Use chains on slippery roads. Keep an eye out for people walking, or crossing at intersections.

Four simple rules—for life. Follow them!

Don't you be one in a million!

Campbell Church Works On Minister Retirement Fund

Mr. Laurence J. Hill spoke to the congregation at a recent morning service, at the Campbell Methodist Church, in favor of the campaign for the Minister's Reserve Pension Fund. Mr. Hill pointed out that there is great need to attract young men and women to the ministry of the church and to do so, a three-point program must be determined on: 1. adequate salaries; 2. security for old age; and 3. whole-hearted support from the people whom they serve.

A parallel was drawn between church and education. In 1932-33 the education system was not doing so well, salaries were inadequate, and there was no retirement system established, but the people realized what was wrong, and in 1935, adequate pensions, and salaries were adopted. The results in teaching personnel have shown a marked improvement already and the future will show even better results. In 1890 industry felt man to be expendable, and industry showed the lack of interest trained workers felt, wages were increased and retirement systems set up to take care of the worker in his old age and conditions in industry showed a marked improvement. Ministers at present have to depend on a very inadequate pension program and any gifts they might receive. Under the new Minister's Reserve Pension Plan, the \$882,000.00 asked for will be well invested in an established insurance plan. This amount will be paid in over a 30-month period.

The share of the Campbell Methodist Church is \$4,200.00 and 40 percent of this sum is being raised by the advance funds committee. "The Christian religion is the most important thing we have, and if we would beat the forces bearing against all that we as Americans stand for, we must give our whole-hearted support to the extension of Christianity and growth of religion in our country and the world," he said.

Mr. Howard Guilbert spoke briefly and introduced the four division leaders: Miss Beth and Florence Kennedy, Mr. and Mrs. J. B. Arends, Mr. and Mrs. Frank Blaine, Mr. and Mrs. Everett Nelson. One hundred twenty-four couples will be selected to make personal calls. All members of the church were called on to do their part and volunteer their services to make this campaign a success.

Church Enters Temperance Move

Members of the Campbell Seventh-Day Adventist Church contributed a special offering Saturday morning, October 27, to a \$100,000 national fund to support the temperance education campaign of the American Temperance Society. This includes publication of LISTEN magazine for young people, radio transcriptions, posters and leaflets. The society also sponsors the annual Institute of Scientific Studies for the Prevention of Alcoholism, at which educators, church and welfare workers are trained for effective action against America's growing liquor problem.

Seventh-day Adventists state that total abstinence is the only platform on which Christians can conscientiously stand on the liquor question. Adventist members neither drink nor smoke and say they have been active in the temperance cause for over a century.

Temperance leaders state that, "Total abstinence would make available millions of dollars a year for the necessities and comforts of life, and would save American taxpayers many millions of dollars annually in taxes."

According to Dr. Andrew C. Ivy, vice-president of the University of Illinois, "Drinking in moderation is not scientific. The only guarantee against alcoholism as a cause of accidents and human misery is total abstinence."

The Civil War developed an appetite for news among the people.

"No washday worries for me — now that I have a new automatic clothes dryer!"

I've got push-button sunshine when wash days roll around. If it's blustery outside, it's a perfect drying day inside my automatic dryer. And laundry comes out so soft and fluffy!

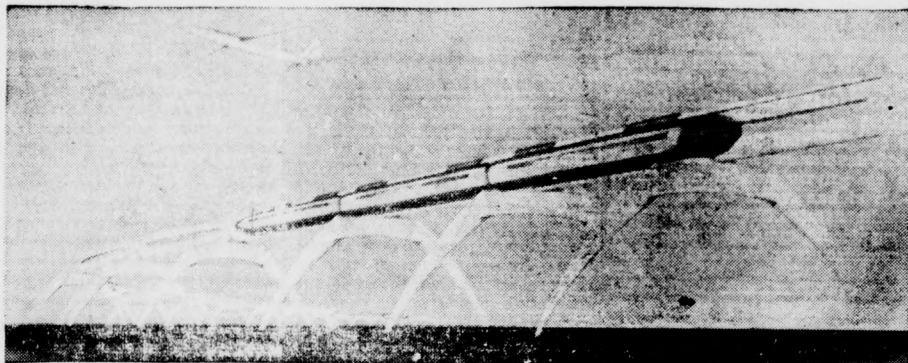

Only a matter of minutes from the time I move clothes from my washer (two steps away) to my dryer—and wash day is over! Automatic control makes laundry dry or damp!

And so much economy comes with my dryer! Winds can't tear clothes, sun can't fade 'em. It costs so little to operate my dryer, pennies turn drudgery into pleasant hours!

Let your appliance dealer show you how to take life easier by doing away with clothes-hanging drudgery on washdays. Look at all the features of new automatic clothes dryers. Consider how little it costs to operate one with P. G. and E. rates far below the U. S. average. You, too, will want an automatic clothes dryer in your life. Start shopping today!

THE NATIONAL TRANSPORT TERMINAL

This artist's drawing depicting the elevated monorail express system proposed as part of the National Transport Terminal project is not as futuristic as it looks for such suspension lines are now used in Germany, Sweden and parts of South Africa. Trains traveling underground in Chicago proper and above ground between the city's outskirts and the outlying terminal would carry passengers and freight to or from the terminal in 15 to 20 minutes, moving safely at speeds between 100 and 200 miles an hour.

Bucs Lose Close Tilt To Huskies

Loss of three of their first string backs proved the difference for the Bucs as they went down to defeat to the Washington Huskies, 12-6 in a slam-bang tussle on the victors' turf October 26.

The Huskies scored in the first period after a prolonged drive put them down on the local 22. Huskie tailback John Rivera clicked with a toss to Martinez who out-ran the defenders over the goal line. The try for extra point was no good and the score stood at 6-0.

Both teams stalled after the score and were forced to exchange kicks until Campbell broke into a sustained drive which carried them deep into Husky territory for a first on the six. Rhodes packed the pigskin for 4 and Namba slashed away another yard. After meeting a solid Husky line on the third try, Tom Rhodes took a handoff and dived over for the score.

HOLES IN HIS POCKETS!

A penalty nullified the try for extra point and the Bucs second chance went wild. Score at half-time stood at 6 all.

Washington made their winning T.D. in the third quarter when Rivera smashed over center from the Buc 20, cut right and went into paydirt standing up.

A Buc drive in the final period was stopped on the Husky nine with a fumble.

Loss of Namba, Rhodes and Musladin in the third period hampered Buc gains.

A hard driving Husky JayVee squad dumped the locals, 14-7 in the preliminary.

Family Living Classes Now Under Way Here

"More actual life-learning takes place within the home, than ever takes place in school, church or community." Such is the underlying belief of Dr. C. M. Angel, who is teaching the new Adult Evening School course in Modern Family Living, each Wednesday evening at Campbell High School.

"Of course, times have changed. And we as parents are often confused as to how to make new approaches to family living which will help our boys and girls adequately. We have ceased to rely on old methods, but we do not trust new ones either. We want to do better, but do not know how, particularly at teen-age levels. Parents who are facing their problems frankly now realize there is no shame, blame, or stigma attached to working things out together," adds Dr. Angel. "That is exactly why we are meeting, to try and understand."

"Constructive Discipline Is Needed" will be the subject under discussion next week when the group meets. On succeeding nights other subjects such as "Affectional Tones Create Life Attitudes," "Time In For Making Fun Together," "When and How Should Sex Understanding Begin," "Underlying Spiritual Values Adapted to Home Life," "Life Learning Goes On Every Day," will be discussed.

Dr. Clarence Angel, an accredited psychologist, is in charge of

COMMENTS OF DALE CARNEGIE

I HAVE a letter from a young man who says he is convinced that he will never get ahead in the world because he could not finish high school. Well! Well!

So here's a story of a boy in Schenectady, N. Y., who didn't finish high school, either. He had to leave at the end of his sophomore year to help earn money to support his family. His name: Vincent Schaefer. You probably haven't heard that name before, but you have heard of something he did.

D. Carnegie

He got a job in tool-making with the General Electric company in that city. After a time he quit and became a "tree surgeon." But after another period of time, he found that he didn't love a tree as much as he thought he did, so he went back to his tools again. During the depression he needed a house—a home of his own. But he was so hard up that he couldn't buy one. However, he took care of that. He bought an old barn and rebuilt it with his own hands into a livable house.

During the last war he was assigned to work in military aviation and for this he had to study clouds. One day he told a fellow worker that he believed he could make it rain. The man looked at him pityingly and said, "Well, you will be the first man to do that since the beginning of time."

Of course, in the early days, there had been fake rainmakers in Kansas and the later Dust Bowl. They had sent up clouds of gas; the rain would gather around the particles in the gas, they said. If it rained within three days they would get \$500. If it didn't rain, they would move on to a new place and try their luck again.

But Vincent Schaefer had a new and different idea. He had blown his breath into a cold jar and watched clouds form. Then he had scattered ice particles in the glass jar—and it rained within the jar, or, rather water resulted.

Why couldn't this be done on a larger scale? He went up in an airplane, scattered some dry ice above the clouds. It rained! You read of that in the papers last summer.

And the effect of Vincent Schaefer's experiment may prove to be miraculous. Wait and see.

the Foothills Family-Youth Counseling Services. Dr. Angel took his graduate work from Stanford University, where he majored in counseling and guidance, particularly in the Campbell Evening school.

with the family group in mind. Superintendent Laurance J. Hill has secured his services to be in charge of Family Life Education

Buc Lightweights To Battle Eagles

The Buc B squad will tangle with Mt. View tonight to decide the cellar position in the lightweight league. While statistically, the Bucs will have a slight advantage over the Eagles, they will have the same problems which

their bigger brothers of the varsity will face in a strong Eagle passing attack. While the locals have won a series of moral victories over their opponents this year, they have failed to register in the win column.

Probable starting lineup:
Ends, Russ Camillari and Ben Guttierrez; Richard Calloway and Skip Kincaid at tackle; guards, Pete Vossler and Roy Cureton; center, Hal Gardener, and backfield, Ray Cajina, Dick Bradford, Sylvester Barton and Don Davis.

CAMPBELL REGISTER

Mr. and Mrs. D. H. CRAMER expect to leave around November 20 for a leisurely trip to Lakeland, Florida, where they will spend the winter in the sunshine. The Cra-

mers, who will travel via car, expect to visit with relatives in Pasadena, Tucson, El Paso and Mexico, while en route. They will return by way of Ohio and Michigan and hope to be back in Campbell by June 1.

The regular meeting of the Ne-tops Council 247 will be held to-night at 8:00 p. m. Pocahontas

Tina Pawsey requests members to bring dance ticket stubs and money for tickets sold for the dance to be held Saturday night at the Alpine Club in San Jose.

Members of the Rebecca Stithing Club will convene hereafter on the 2nd and 4th Wednesdays of the month at 1:30 p. m. at the IOOF Hall.

Mr. and Mrs. RICHARD MILTON and Mrs. J. V. BROWN returned recently from an extensive motor tour visiting relatives in Kansas City, Las Vegas, Carlsbad, and a short trip into Mexico.

Dr. J. Frederic Snyder has been attending the annual meeting of the American College of Surgeons in San Francisco during the past week. He will return Monday.

Mrs. ANNA KRUG returned on Saturday, November 3, from an extensive auto tour of the western states with her brother and sister-in-law, Mr. and Mrs. ERNEST ALBERSHART of San Leandro. The trio traveled first to Oregon Caves, then to Portland, Oregon, where they visited with another sister, Mrs. CAROLINE FRANKLIN. From there they drove to Grand Coulee Dam in Washington and up into Canada, where they

spent four days before being forced to return to the states by the heavy snow and bad road conditions. Idaho and the mines near Butte, Montana, were then visited and the Salt flats and Mormon Tabernacle in Salt Lake City were included, too.

Other interesting sites visited included the Yellowstone National Forest, Grand Canyon, the Royal Gorge in Colorado, Wichita, Kansas; Oklahoma City, the State Fair at Dallas, Texas; and the Carlsbad Caverns in New Mexico
